**ENVIRONMENTAL BOARD MOTION 081909-4d**

Date: August 19, 2009

Subject: Water Fluoridation Program

Motioned By: Rodney Ahart

Seconded By: John Dupnik, P. G.

**Recommended Action**

The Environmental Board received a briefing on the Water Fluoridation program, and recommended that the City Council Appoint an independent task force/committee to study the impacts of the City of Austin's AWU water fluoridation program.

The task force/committee should include, but not be limited to representation from the Austin Water Utility, Watershed Protection and Austin Travis County Health Department.

- **PID Structure and Framework** - It is recommended that the City study the prospect of employing PID structure and framework to implement a funding program separately from the impact fee.
- **Cost Sharing on Infrastructure Improvements** - It is recommended that the City investigate alternative funding and cost-sharing options, to facilitate storm sewer improvements ahead of redevelopment and densification of urban areas.

**ADOPTED:** August 5, 2009

Rodney Ahart, Environmental Board Vice Chair
